From Around the Village

Garbage, Recycling and Glass Recycling

Regular Recycling day is on Monday and Trash is on Wednesday. Recyclables should be tied tightly in a container and should not be put out until the morning of pick-up. Glass recycling continues on the first Saturday of each month. If you are able, take your bottles and jars (minus the lids) to the blue bins in the recycling room behind the dumpster. The bottles and jars do not need to be bagged. Please handle your glass carefully so as not to break it when putting it in the blue bins as this presents a safety hazard for the recycling volunteers.

Volunteers

Have you been looking for an opportunity to help out on campus? We would love to have some new and returning volunteers to help in several areas. Examples of opportunities (among others) : transporting skilled care residents to and from church on Sundays, helping to get residents to and from the beauty shop, sitting outside or taking residents for short walks in their wheelchairs and accompanying Personal Care residents for medical appointments. If this sounds like something that you would like to do (no regular schedule is necessary but we have to make you an "official" volunteer by filling out some paperwork) contact Jess at 40307.

Follow Up to Town Hall on July 9th

Updated Financial information (April YTD) has been given to Jill Flasher, Executive Director. If you wish to have a copy of the review, please contact Jill Flasher for a copy to be distributed for your review.
