## From Around the Village

### Garbage, Recycling and Glass Recycling

Regular Recycling day is on Monday and Trash is on Wednesday. Recyclables should be tied tightly in a container and should not be put out until the morning of pick-up. Glass recycling continues on the first Saturday of each month. If you are able, take your bottles and jars (minus the lids) to the blue bins in the recycling room behind the dumpster. The bottles and jars do not need to be bagged. Please handle your glass carefully so as not to break it when putting it in the blue bins as this presents a safety hazard for the recycling volunteers.

### Executive Director's Upcoming Schedule

Jill will be helping at Luther Ridge assisting operations in their skilled care center. She will be working half days (mornings) at Luther Ridge then will be coming to Gettysburg in the afternoon. She will be out of the office enjoying time with her family starting Monday, August 12<sup>th</sup> through Tuesday, August 20<sup>th</sup>. If you need assistance that cannot wait until she returns, please contact Melissa King, Administrative Assistant.

### Volunteers

We would love to have some new and returning volunteers to help in skilled and personal care. If this sounds like something that you would like to do (no regular schedule is necessary but we have to make you an "official" volunteer by filling out some paperwork) contact Jess at 40307.

### Bocce

Please note that the Bocce Tournament has been rescheduled to next Thursday, August 15 at 10:30am. Please re-sign up in the book.

### Hooray Team Getty! We Are a 5 Star Facility

CMS created the Five-Star Quality Rating System to help consumers, their families, and caregivers compare nursing homes more easily and to help identify areas about which you may want to ask questions. The Nursing Home [Care Compare](#) web site features a quality rating system that gives each nursing home a rating of between 1 and 5 stars. Nursing homes with 5 stars are considered to have quality much above average and nursing homes with 1 star are considered to have quality much below average. There is one Overall 5-star rating for each nursing home, and separate ratings for health inspections, staffing and quality measures. Please see our campus' report card below and thank you to our team who all made this possible.
