

The Weekly Connection

Personal Care | August 11-17, 2024

Hello, Residents!

The weatherman is calling for cooler temperatures this week so the weather looks like it will be pleasant. Morning walks and chatting by the pond should be lovely. There are also lots of fun and interesting things to do inside. Exercise, books, music, frozen treats, and bingo to name a few. The goal is to offer something for everyone. If there is a program you would like to see on the calendar please let us know. We hope to see you out and about!

Take care,

Tania Hare,
