Attention: Please Read!

Residents **should not** be keeping large amounts of cash or valuables in your room. Management asks our residents to safeguard your money in a fund management account that will protect your money and give you access to cash Monday thru Friday like a bank. Read more below about the fund management accounts.

Family Pets Reminder to residents and families that when a family pet visits our community we need some information from the pet owner. A copy of current pet vaccination records needs to be supplied to our life enrichment department. Help us to be in compliance with this state regulation. Also, pets must be on a leash at all times and not in the dining/activity room when food is being served. Please direct any questions or concerns to life enrichment leader, Kris Martin.

If you are planning to vote in the Pennsylvania Presidential Election please see Kris Martin, life enrichment leader to complete the registration and absentee ballot request forms. This is your right and an important civic duty to vote in the elections.
